REACH (169) Compliance Declaration

JARO Thermal supports the goals of REACH which are consistent with our own commitment towards responsible use and handling of chemicals.

JARO Thermal acknowledges the importance of our supply chain and will do our best to minimize any disruptions in the continued delivery of our products. JARO Thermal will seamlessly transition through this process as we have previously done with similar legislation.

-
- We, JARO Thermal, hereby certify and declare that the **JARO DC fans, only** the below Contained Substances of REACH-169 is over the threshold value 0.1 % (w/W).
